# Food Fight!!!

Students at DHS enjoy lunch better than any other time during the school day. Lunch offers a break from classes where students can relax and get away from school work. Most underclassmen enjoy the fine dining of the lunchroom cafeteria; which is famous for its Pizza and Green Beans. Students get a kick out of joking about the food and the servers, but everybody likes it. It's just a teenager's way of having fun.

The priveleged seniors, and a few sneaky juniors, enjoy the benefits of leaving campus for lunch. After three years, seniors finally get a decent lunch from McDonalds, Wendy's, or the new Burger King in the area. This is great except spending \$3 to \$4 a day on food, using gas to get there and most importantly, the time factor. After practically inhaling their food, seniors get to play "drag strip" across town from McDonalds; screech into the parking lot, sprint to class (without their books) and exclaim, "Tardy Again!"

These are the guys who start all of the food fights

Chris Annetta and Ralph Araya eat heartily before the big game

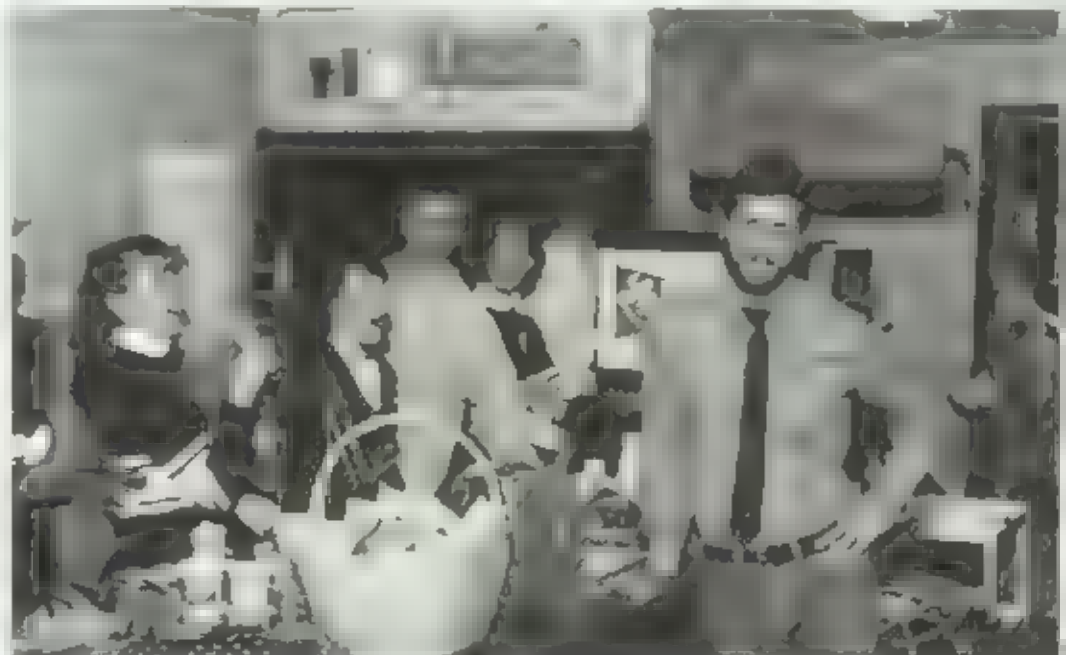

Joe Bangert eats his PB&J cuisine

French Fries are for me (Aaron Ozias)

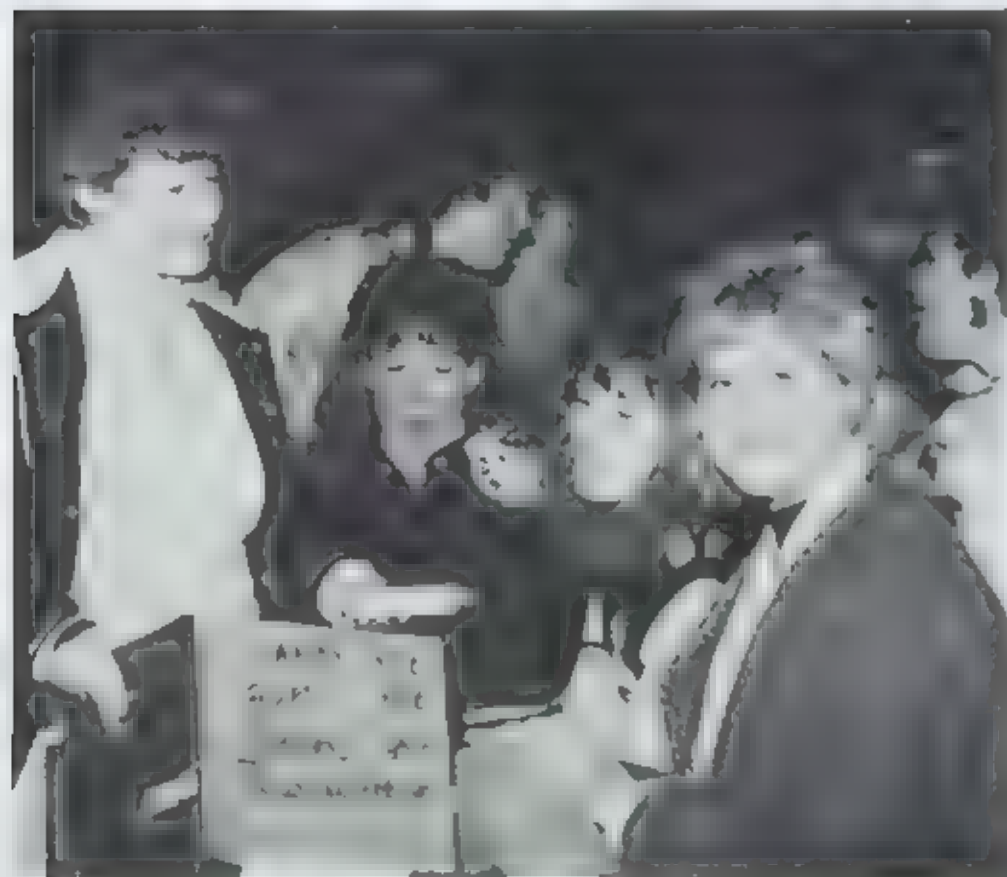

Shelly Ubbelohde is going to make sure no one cuts before her

# Oh! No! What's She Selling Now?!

Sarah Lynch sells all of her goodies

Erin Batemen wants everyone to buy M&M's

Manisha Balam has more M&M's!

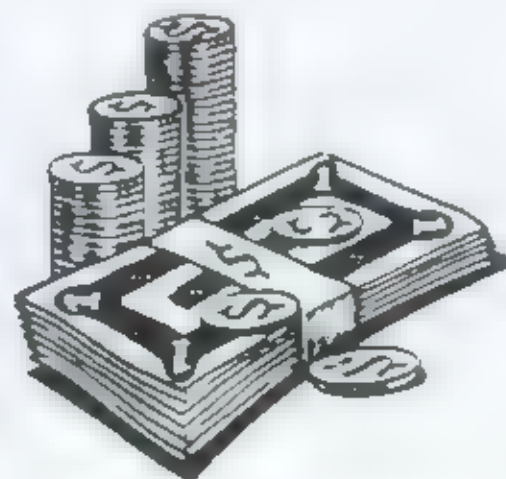

Everytime you turn around someone is there to either break your diet or your budget. One of the organizations known for its fundraisers is The Student Senate. Organizations of these sorts can make up to \$1000.00 or more on a fundraiser

The Varsity Cheerleaders had numerous types of sales. From selling stationary, having bakesales, and raffling off the Homecoming game football, the cheerleaders are the ones to go to if you're in debt . . . they have made a large sum of around \$1100.00 from all of these types of sales. Another club that sells items to munch on or to give as a present, is NHS, which usually sells ornaments around Christmas time. Also during the Christmas Holidays you can see the German Club out and about selling Advent Christmas Calenders

Most clubs and sports participate in the selling of goods to the students here at Dondero. If you are on a sport and you want to buy a coaches gift, it's convenient to have the extra cash that a fundraiser gives you so that you (the players) don't have to give the money out of your own pockets. That also goes if you are a club that wants to do things that might cost a lot of money and if the students didn't have the clubs support of funds, then they might not go

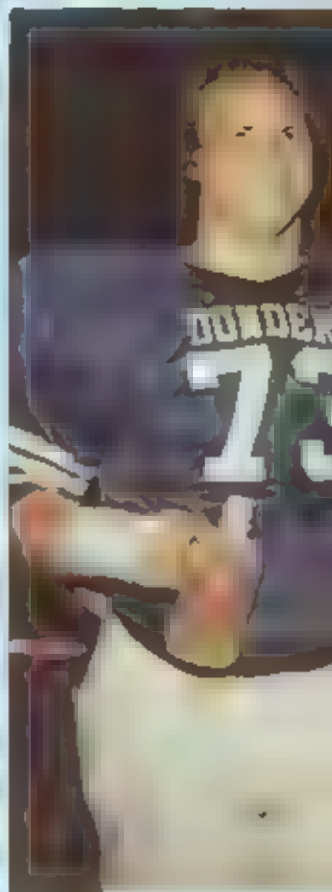

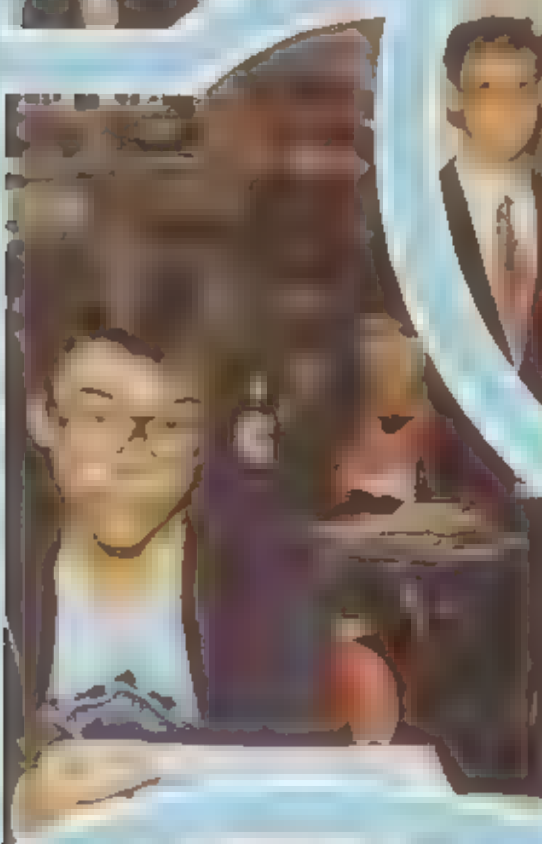

Everyone in this world knows that if you want to do things, you've got to have money. That goes in this school, too

Other clubs that you may see selling candy are, Spanish Club(suckers and bagels), French Club(Almond, Krunch, and Carmel candy bars), Oak(jolly rancher sticks), Acorn (Almond, Krunch, and Carmel candy bars), Varsity Club(school shorts, bakesales), Forestry Clubs(bakesales and towels). The classes also have numerous kinds of sales, ranging from flowers for Sweetest Day, to Magazines that you can order. So if you wake up one morning with a toothe ache, or empty pockets, you'll know who to blame it on!"

# Varsity Has Championship Season

The Dondero Oaks Varsity football team had an outstanding season with an overall record of 8 wins and 1 loss. The offense was led by All-Leaguers Jeff Borski, Ray Mylenek, Brian "Woody" Lukas, Tim Wells, and Mike Wolf. The defensive attack was led by All-Leaguers Frank Tamachaski and Mike Brown. Also helping on defense was Kevin Kernen, Ron Hewelt, and Bucky Myre. Frank Tamachaski also received honors in being selected the league MVP. With its "Intensity" attitude, the Oaks came within a fraction of qualifying for the Class A playoffs. Fred Fuhr, Ivy Loftin, and Pete Phelan did an outstanding job in building a tremendous team. We would like to say thanks to the team for creating a an enthusiastic season for all Good Luck next year.

# Dondero Kans Kimball!

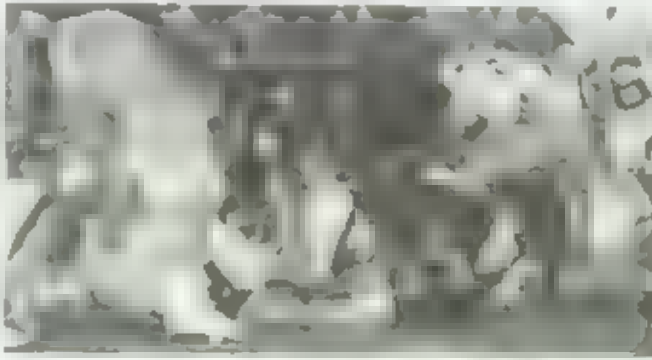

Kimball didn't have a chance against League Champ Dondero at the Silverdome. The Oaks annihilated the Knights 27-7, finishing their winning season on a high note.

The Knights got lucky and scored in the first quarter but that was all they would be allowed. Frank Tamachaski led the defense with 11 tackles and teamed up with Ron Hewelt to stop the Kimball quarterback.

On offense, the Oaks scored four touchdowns, two of which were by Brian Lukas who headed the offense with 190 yards rushing. Matt Cole also played good offense with two pass receptions for a total of 50 yards. Ray Mylenek showed crushing downfield blocking, knocking a Kimball man out of the game. Other good blocking came from the six bull dogs: Matt Cole, Tim Wells, Mike Wolf, Josh Doster, and Scott Frenz.

Both Varsity and J.V. cheerleading squads did an excellent job cheering this year. During football season it wasn't too hard not to be cheering from the great job of the football team, despite the basketball team's losing season the Varsity cheerleaders kept their spirits on the rise.

Debi Fett and Amy Miller were co-captains for the Varsity squad. Debi was also M.V.P. for the football season and Brenda Retell was elected All-League. The Varsity cheerleaders kept the tradition going, with decorating pillow cases before the Dondero Kimball football game.

This year we had two new coaches joining us, Debbie Beverlin for Varsity and Becky for J.V. They both did a great job coaching the cheerleaders and keeping them on top!

The defensive squad was led by Garel Rice, All-Leaguer, Matt Falk, and the teams MVP, goaltender, Edward Koontz. # Girls Varsity Basketball

The 1987 Girls Varsity Basketball team didn't have as good a season as was expected at the beginning. They did improve on last year's record through winning two league games, defeating Kimball and Southfield in the first MSA-SMA crossover game.

The team was led by co-captains Beth Kreger and Donna Benke but was held together overall by their spirit and teamwork. They were like a family and took ups and downs as a team.

Donna Benke was voted MVP because of her leadership and the way she kept the team together at times of disappointment. Amy Clemmer was voted to the All League team and Dondero was awarded for their sportsmanship by the league also.

An exciting season is expected next year with five returning team members Good Luck!

# J.V. Girls Basketball Gains Experience

The Girls J.V. Basketball team was made up of mainly rookies this year. Since there were not enough participants for a freshmen team, all were on J.V.. The young team gained new experience, winning four of their games and beating Southfield in the first MSA-SMA cross-over game.

Through the season the team had its ups and downs but, always stuck by each other and continued on as a team. Coach O'Brien was very proud of his girls and the way they handled themselves through the good times and the bad times.

The members improved all through the season, preparing themselves for Varsity. Outstanding members for the team were: Tawn Flack, Cary Garvaglia, and Sandy Hatcher. Overall it was a good season and everyone had fun. Good Luck to all the players in the future

The team, with its never ending desire, was able to pull off many important wins and finishes which enabled them to obtain a respectable standing in this area. Coach Leenhouts and Coach Swanson were very proud of the girls and boys teams. The girls also finished with a successful season led by All-League, All-County, and State qualifier Sandra Szalkiewicz. Carrie Nitz and Katie Richards both had successful records versus League runners.

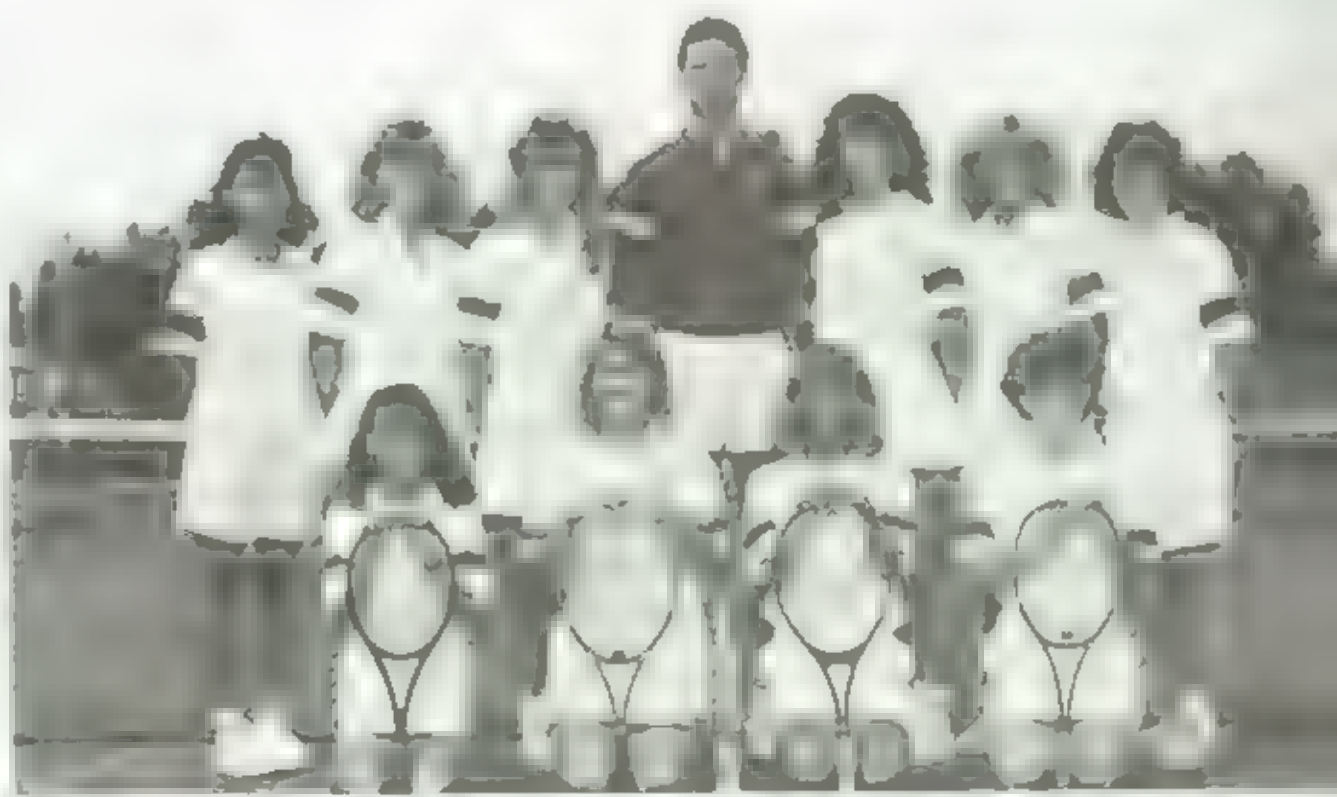

# Girls Tennis Has An Enjoyable Season

The 1987 Girls Tennis team hoped for more but, got enough. Their record was five wins and eight losses. The team never got down on themselves and always fought hard.

Captains for the team were Liza Elicanal and Kathleen Thompson. They led the team through the good times and the bad, always having a good word or smile to pull someone out of a rut.

Liza Elicanal was also voted MVP for the team and with good cause. Liza is an all around good athlete. Her sportsmanship and determination is unbeatable.

Next years team looks promising, even with the many seniors graduating, outstanding players are returning: Liza Elicanal, Stephanie Rabine, and many more. We would like to wish the 1988 team good luck!

# Varsity Basketball Rises Above

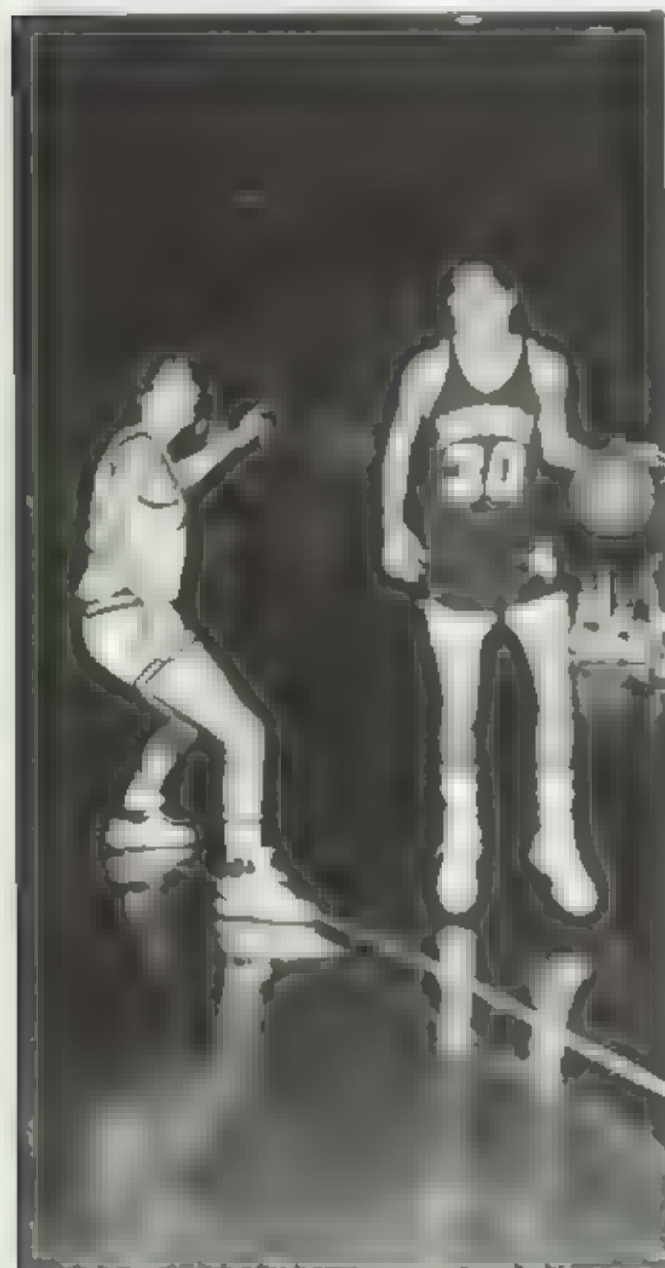

This year Boys Varsity Basketball team started out their season with a win over crosstown rival Kimball. The team also took second place in the Troy Christmas Tournament, defeating Lamphere but, losing in a tough fight to their host Troy. Matt Cole was named to the All Tournament Team for his outstanding ball playing both games but, the whole team deserved a hand for their fine teamwork.

Although the team didn't have as good a season as they would have liked, the team members never lost confidence and always played with pride even when it came to the many close games that didn't go their way. Outstanding members were: Brian "Woody" Lukas, Matt Cole, and Mike Wolf.

With half the team returning and J.V. being brought up, a good season is expected next year.

# Boys J.V. Gains Experience

The 1987-88 J.V. Boys Basketball Team started their season by defeating cross-town rival Kimball. Although their record didn't show it, there were many highlights to their season. At the annual Troy Christmas Tournament, Ramil Elcanal was named to all tournament team, along with four other players from the participating teams. After a "thrilling" overtime the Oaks emerged victorious over Lasher, but the most "thrilling" Victory had to have been over Lathrup when Garek Rice made a three point shot with seconds left, to win the game by two.

The team was Coached by Mr O'Brien and headed by tri-captains Rice, Jeff Wolfe, and Mike Wolfe. The team was fairly young and gained experience needed for next years Varsity team. Good Luck to all the players in the future.

The team was led by the returning swimmers, who set examples for the rookies through their determination and dedication. Of those returning team members, some of the outstanding included: Conrad Orloff, Jeff Klemmer, and Jon Trim. Besides new incoming swimmers, a new face to the team this year was their coach, Mr. Bratton.

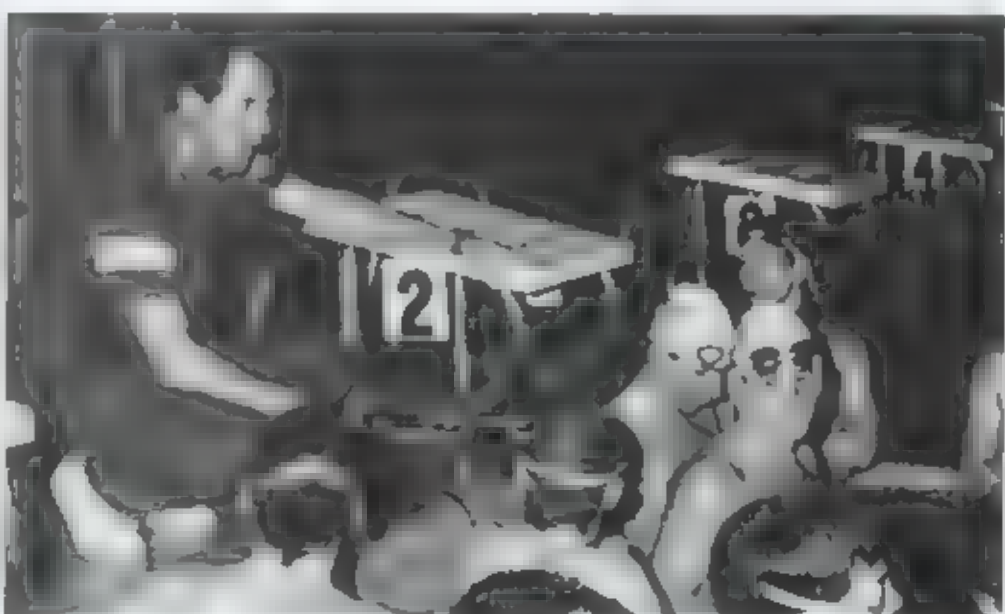

Prospects for the next year's team look extremely good, with only four graduating seniors: Conrad Orloff, Jeff Klemmer, George Saratsis, and John Howard, and many talented and experienced swimmers returning next year. Coach Bratton is building his team to excellence with his young recruits. Good luck to the 1989 Varsity Swim Team!

# Boys Wrestling Has Triumphant Season

The Dondero Wrestling Team had a great season overall in the MSAA League. This year was Dondero's best finish ever and was led by Mark Jennings, Jim Dorsett, Mike Brown, and Ed Shornack. The Oaks finished in 1st place in the Ferndale tournament and 2nd and 3rd in just about every other. With a new rule in competitive wrestling, Dondero could have a chance to go to regionals as a team. And who knows, maybe state. # Dondero Gymmies Score Perfect 10's.

The 1987-1988 Girls Gymnastics team had a great season. The captains for the team were Jennifer Ketelhut and Amy Miller. The team was small consisting of only eight girls, but with the experience behind them they had a winning season. We would like to thank Claudia Henn for coming out for the team, she is a German exchange student here at Dondero. Each of the girls improved on their own events from the beginning of the season, which made them as a team qualify for Regionals. Top Scorers for the Oaks were Michelle and Jennifer Ketelhut along with Amy Miller. The coaches were Jill Perkins and Janet McKee this was their third year here at Dondero. They did a terrific job with the girls. Good luck next year!

Senate is a very important part of student life both in and out of school. When you think about it, they organize a good part of the school's activities. They plan and work most of the dances, pep assemblies, Spirit Week, Homecoming, canned food drive, candy sales, Field Day, Senior Citizens Dinner, they even arranged for comedian Pat Hurly to make an appearance.

Every year each class elects four people they think would make good representatives in student senate. Such people go around to assigned homerooms and make announcements to keep the rest of us informed about what's going on.

Many people think that senate is all fun and games and they don't appreciate them too much. Their main goal is to please us, the student body, so we shouldn't take them for granted.

# NHS: Simply The Best

It's a high honor but also a great responsibility to be a part of the National Honor Society. All members have met the required 3.2 G.P.A. and all have demonstrated leadership, scholarship, community service, and character.

Each member must fulfill a long term service project such as tutoring at the Boy's Club, at an elementary school, or at the Homework Place

A new tradition was set this year at induction. It was the first ceremony by candlelight. As the inductees walked on stage, they each were handed a candle and lit them when they got on the risers.

The NHS officers are Conrad Orloff: President, Steve Penner: Vice President, Dan Pykkonen: Treasurer, Tammie Kay: Secretary, Colette Cassidy: Assistant Secretary, and Mike Wolf: Historian.

The 1987-88 school year has been an eventful one for everyone involved with SADD. So far they've been active in many projects. They are currently participating in the Big League Crackdown on Drugs, which is an all year project. Some of the members have attended special meetings where they heard professional athletes, such as Bill Lambeer, and Isaah Thomas, speak about the effects of drugs and alcohol on your body. Also they have been training for a peer resistance program. They are being taught to go speak at elementary schools in front of younger students and tell them to say "NO". In order for them to get a better understanding of this, the members have a puppet show called B A B E S. (Beginning Alcohol and Basic Education Studies) Also, before Christmas Break, S.A.D.D. members tied ribbons on cars and also made a banner saying "Don't Tie one on for Christmas" urging people not to drink and drive over the holiday season.

Other activities included Congressman Levin's Congressional Forum on Substance Abuse, Quad County S.A.D.D., and Project Graduation.

The Oak staff, Mrs. Schultheiss, and Editor-in-Chief Amy Miller have all worked extremely hard at making this yearbook the best it can be. The staff who is made up of select juniors and seniors have spent many extra hours in and out of school meeting deadlines. At last our task is finally completed.

We've tried to cover as many clubs, extra-curricular activities classes and groups as possible to make the Oak enjoyable for everyone. In order to keep the yearbook at a low price, we've sold candy, Property of Dondero t-shirts, and also sponsored a dance in the winter.

The primary job of the Oak Staff however, was truly capture the year at Dondero High School. With this creation, we hope to preserve all of the memories and good times that made 1988 special.

It's not always as easy as one might think to produce a school newspaper that will satisfy everyone. But under the leadership of Kay Brakeville and Jonathan Wemple, the Acorn Staff, once again, has done an excellent job.

Acorn comes out once a month. The members have spent many hours writing interesting stories concerning Dondero, Royal Oak, and the nation, in order to keep the student body and faculty informed.

Acorn Staff has sold candy, Dondero pennants, and classifieds. In February they had a Valentine's Day Dance, which was the first to be sponsored by Acorn in three years.

This year's powderpuff game was not what many people expected. The final score was predicted to be high for both teams. Just the opposite happened. The game went scoreless until the third quarter when Brenda Retell scored on a long run. April Phinney picked up the extra point to put the juniors ahead 8-0.

Outstanding players for the seniors were Donna Benke, Amy Clemmer, and Ricky Laney.

Everyone involved with the game put a lot of time and effort. Powderpuff is a good thing and should be part of the tradition in the years to come.

Field Day '87 was a big success. All who participated show a lot of school spirit and enthusiasm. The four classes and faculty competed against each other in several games and contests. Some of the games included, the egg toss, the in-nertube race, the tug of war, the air-bands, the basketball shoot, and the rootbeer chug. Also "Dondero Trivia" was added to the list of games. The contestants met every day during home-room, in the cafeteria, for a week and asked various questions about Dondero's past and present.

Field Day '87 started off in the right direction with Senate's Dance to "Lean On Me" by Club Nouveau. The faculty added to the entertainment with their airband "Dancin in the Streets" which took first place. Field Day was a lot of fun and everyone had a good time. Hopefully, it will be a long lasting tradition here at Dondero.

The winners of Spirit Week are as follows: Klash Day — juniors Jason Postula, Michelle Shirey, Jenny Dyer, and Michelle Dupuis. Beach Bum Day — junior Alayna Wendell and senior Demian Trubey. Pajama Day — seniors Brett Carico and Jackie Gerard. Costume Day — seniors Heather Thompson, Gary Delant and Brett Carico. Also Junior Tom Shields and sophomores Melanie Wasiluski and Deane Nelson. On Blue and White Day senior George Saratsis and juniors Kim Baker and Jason Miller. Congratulations!

# Homecoming

Homecoming is a time for pep rallies, parades, floats, football games, dances, alumni, and kings and queens. This year homecoming was all that and more. It started off at 6th and LaFayette where the judging of the float was held. For the first time ever, the class of '88 took 1st place with their float of Toucan Sam. We proceeded to parade through Royal Oak into the school. Our Varsity Football team then went on to defeat Groves 27-0. At the dance, Nicole Parker and Jeff Borski were named King and Queen. Also, the Varsity cheerleaders sponsored a raffle for a football signed by all the Varsity football players. The evening was very enjoyable and certainly one to remember.

Science Club is fairly new to us at Dondero beginning its second year. It was organized by Mr. Fairfield who is also this years advisors.

To the students in science club, science is more than just doing labs and dissecting frogs. They have made arrangements to go to the Detroit Science Center, the Fermi II Nuclear Plant, to Toronto, and possibly to a Red Wings Game though no final date has been set.

The club has about 12 members with Conrad Orloff as President, Jenni Osburn as Vice President, Bob Mariotti as Treasurer, and Steve Penner as Secretary.

Science Club meets every other Friday at 7:45 and is open to any student, from freshmen to senior. Remember, Don't be a geek, join the Science Club this week!!!

# "Oliver" a Musical With a Twist

The 1987 Spring Musical was "Oliver", based on the novel Oliver Twist by Charles Dickens. A great deal of cooperation, teamwork, and time was put in by many individuals to make Oliver such a success.

Producer Leslie Whalin was in charge of the entire event and putting it together. She, as all the others involved, did an excellent job in giving three flawless performances. Even though toward the end of Friday night's performance key prop, a revolver, fell apart during an act, the show, however, continued to go on.

The main characters included; Oliver Twist, played by Lars Orloff; Fagin, played by Damian Trubey; Charolette, played by Collette Cassidy; Mr. and Mrs. Sowerberry, played by Elisa Duncan and Chris Savino; Bet, played by Sara Synnestvedt; Widow Corney played by Laurie Franz; Noah Claypole, played by Brad Tabor; Mr. Bumble, played by Bill Grant; The Artful Dodger, Brad Hartsoe; Bill Sikes, played by Jamie Jemmison; Nancy, played by Heather Thompson; and finally Mr. Brownlow played by Kevin Strong.

# The Man Who

The 1987 fall play "The Man Who Came To Dinner", was directed by Ms. Leslie Whalin, Ms. Gina Adamski, and by Student Director Brad Hartsoe

The basic summary of the story was about Sheridan Whiteside, a world famous radio personality. He visits the Stanley family for dinner one night and during his stay, he slips on the stairs. Due to the fall, he fakes an injury, and as a result he overstays his welcome and lives with the family for a month

Seniors Heather Thompson, Collette Cassidy, Kelly O'Rourke, Rick Feld, Elisa Duncan, Jamie Jemison, Chuck Findlay, Dan Savino, Brad Hartsoe, and Damian Trubey gave their final performances. The entire crew did a great job!

# Drama Club

When most people think of the Drama Club, they think of the actors performing the play. This may be true, however, there are a lot of other things involved.

The club consists of eight production crews: Set, Lighting, Sound, Costumes, Make-up, Props, Publicity, and the group who is responsible for the making of the program.

The main activity the club relies on is fund raising. One production can run up to 9,000 dollars! When you figure the costs of props, costumes, programs, and posters, not to mention Royalty fees that average somewhere in the thousands, you can see how prices can easily add up. Another activity the Drama Club participated in this year was a Theater workshop. There, members improved their skills and recieved many new ideas.

Officers this year were Heather Thompson: President, Colette Cassidy: Vice-President, Tracy White: Secretary, and Lori Butora: Tresurer. A new addition to the Club is Gina Adamski, a 1986 gradute from Dondero, she gives advice and sponsors the club. Ms Leslie Whalin, also serves as a director and as an advisor.

# A'Cappella Choir

As always, the A'Cappella choir had a hardworking year. However, their efforts paid off when giving excellent performances throughout the year. These performances included the Spring and Winter Concerts, the Pop Concert, and Collage. In December, the choir performed at the Fisher Theater, and they also traveled to Ann Arbor toward the end of January. This years choir deserves many applause.

# Symphony Orchestra

Symphony Orchestra is a one hour class which meets everyday. The director of the Orchestra is Mr. McKenzie. The Orchestra performs in both the Spring and Winter concerts and Collage in June. In May of this year, the Orchestra will take a trip to Toronto to perform in a Musical Festival.

Selected students, who are chosen from the Symphony Orchestra, make up the highly acclaimed Chamber Orchestra. The orchestra meets once a week in morning before school. The Chamber performed this year at the PTA Founders Day Dinner and they are invited to attend many community groups. This year, the group also held a Chamber Orchestra festival in December.

There are many different courses to take in the business department here at Dondero that are open to all students: Exploratory Business, Business Mathematics, Record Keeping, Accounting, Shorthand, Personal Typing, Typing, Business Law, and Introduction to Computers are just some of them.

These classes are very helpful for starting off your career in the business world

# Typing

There are two typing classes; personal typing and regular typing.

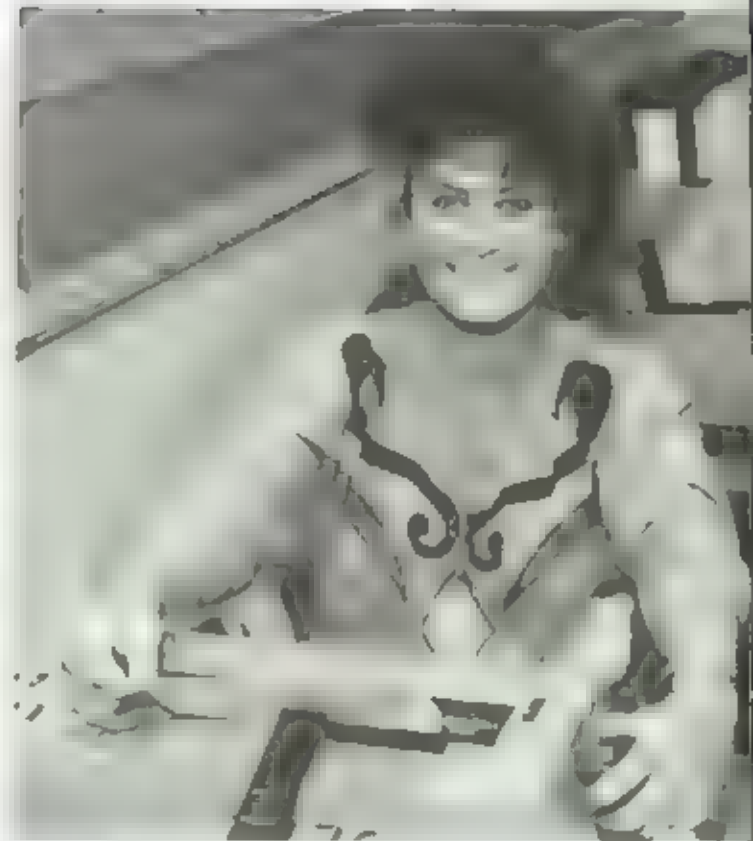

These are both very good classes. This gets students ready to be secretaries and other typing careers, or just type for their own personal needs.

Typing is encouraged for all students to take as soon as they become sophmores. It is very helpful for the future. It is a big help for working on computers too. Most kids who take it really enjoy it and usually end up going on to further typing classes. They also recommend it to the other students.

So if you have not taken a typing class yet sign up for one as soon as you can.

# Home Economics

Alayna Wendell helps out Jenny Daughty

Home Economics are very popular classes at Dondero. The courses are clothing, basic foods, meal management, housing and interior design, child development, and adult living.

Students learn everything from cooking meals to sewing their own clothes.

This year we have a new teacher joining Mrs. Murphy in the Home Ec. Department. We would like to welcome Mrs. Hamal.

Adult Living is a very good class, it prepares students for after they graduate and are on their own. They learn everything from sex education to budgeting their future finances.

# Child Development

Child Development is a class at Dondero taught by Mrs. Murphy. Students may take it if they are interested. In this class students are taught the needs of children and prepared for the tricks and games they play. The students learn how to use the skills they learn. They are allowed to bring children to their classes for the day once in awhile and experience everything they have learned in the class. They practice their newly learned parenting techniques and methods of discipline. They even have a Halloween party for the kids.

Bill Laski, what are you doing?

Vocational Automechanics is a very popular class for the guys to take at Dondero High School. This class teaches students a variety of things about cars and other vehicles. Many of the students bring in their own cars for work.

The students are very eager to learn new things from this class. Many of them would like to go on to become mechanics and work in garages. These students work in a shop filled with all the best equipment and get good hands-on training.

The students are under the direction of Mr. Jusela and also under another teacher who comes in the morning. I would recommend this class to any person (guy or girl) who is interested in the auto mechanics field.

The Industrial Arts department includes all kinds of drafting classes, woodshop, and machine shops. This gives students job training in the skilled trades and numerous industrial or specialized occupations. The current need for trained employees in this field is rapidly growing. By getting training from these classes, the students are on their way to good occupations in this field.

Girls are very popular for taking these classes too. If you like this type of work you should get involved.

The 1987 Homecoming was a special night for Dondero Seniors. The senior class float was of Tucan Sam which won first place that night. At the football game against Groves we won to. The Homecoming dance caused a lot of tension for the people on the court with the question of "Who will win King and Queen?" At the end of the night the tension was relieved when Jeff Borski and Nicole Parker were announced King and Queen. Everyone involved did a good job and had a wonderful time. It was a night to remember, especially for all the Seniors who participated in the 1987 Homecoming.

Martin Ruiz is a senior exchange student at the age of 18. He's from Buenos Aires Argentina and went to Mariano Acosta High School. His interests include: volleyball, swimming, jogging, and writing letters to his friends back home. Martin is involved in the Drama, Art, and Spanish clubs, and he says that he would like to study business in America after high school. The reasons Martin gave us for wanting to be an exchange student in America was to learn about our cultures and learn the english language better. He also says he would like to see the United States as a citizen rather than just a tourist. Martin says he likes the students social life at Dondero, rather than in Buenos Arres where he "has to join social clubs "

# Out Standing

Dan Pyykkonen has taken three years of accounting, Business Law 1-2, Personal Typing, and Introduction to Computers. He has consistently performed in an outstanding way in accounting, offering help to others, showing a positive attitude, and having good peer influence. His positive attitude makes him a welcome addition to any class. He has a good rapport with his fellow classmates as well as with his teachers. Dan is a very personable individual with a good outlook on life and the future.

Heather Thompson has been involved in Drama Club since her freshman year. She appeared in the chorus of Brigadoon and The Sound of Music. Leading roles that Heather has had included Nancy in Oliver, Mrs. Daisy Stanley in The Man Who Came To Dinner, and The Wicked Witch of the West

Heather has also worked behind the scenes on the set crew, costume crew, and sound crew. She was Program Crew head for both shows this year. (The Man Who Came To Dinner and The Wizard of Oz.) Drama Club members recognized Heather's leadership ability by electing her President of the club this year

Missy Heckman's recognition is given for meeting the State Standards in Vocational Life skills area. As a Home Economics student, Missy acquired technical and human skills based on Human development content needed to meet challenges "Skills for Living".

Ed Koontz was selected as an outstanding senior in Art. Not just for superior classroom academic achievements but also for successful voluntary completion of many difficult extra-curricular art and school related projects.

Andy McQuillan and Kevin Kernen have been working together as a directed study group within Architectural Drawing and Design Class. They have gone out of their way to help drawing students find solutions to basic design problems. These students have been a big asset to Mr. Jaskae's drawing programs.

# Seniors

Laura Katz is truly an example of an "outstanding senior" in English. She has studied Literature and Composition for four years and has maintained an "A" average. Laura's efforts were not just limited to classroom activities. Laura's perseverance, creativity, and quality of essays have been recognized by the PTA Reflection Activity, the Detroit Free Press, and Dondero Genesis Magazine.

Bob Mariotti was awarded outstanding senior in vocal music as a four year member in A'Cappella. He is a four year member of musical minority and a very strong leader. Bob gave superior musicianship to the POPS CONCERT. He played the guitar (one of the best lead-guitar players we have had).

Picking Bob Mariotti and Steve Penner for Outstanding math students was difficult. There were many worthy candidates. The choice was not only made on the basis of achievement, because all have done very well. In the final analysis it was my perception that they exhibited the ability of exceptional ideas. They shared this not only by answering hard questions but also with their own questions seeking to extend mathematical concepts. It certainly was a pleasure to honor these two young men.

Brad Hartsoe is an outstanding senior in vocal music, a four year member of Acapella (Which is rare for Freshmen to be in) (even though he had to be out of choir his junior year because of physics and band) a four year member of music minority — strong leader, contributed to POPS CONCERT on the drums, base, and keyboards as well as singing. ( few do all of these), and a four year member of sound crew.

Scott Frentz, Steve Penner, Mike Wolf, and Gina Difazio are outstanding seniors in German. These individuals all have qualities of a sincere, dedicated student. Their relationships with their peers are excellent. They participate in a number of school activities and always maintain a positive attitude. These foreign language students are some of the best and further study should result in Great success!

Kim Thomas is an outstanding french student. She has studied French for four years and is an excellent student. Her willingness goes beyond classroom activities to improve her french. Kim's interest in foreign language extends farther than French because she is also studying German.

Steve Penner has also been elected an outstanding English student. Steve has shown excellence through his very high test scores. For the past four years he has participated in his own perceptive writing projects. Steve has excelled on the ACT and CEEB. He scored in the very high percentage rank.

To work for some high goal in the face of odds

To keep on struggling for it in the face of defeat

To believe in it in the face of criticism

To keep spirits up in the face of disillusionment

That is in adventurous life. With such spirit we can accomplish great deeds. With such a spirit nothing can daunt us in life.

I would like to thank Mrs. Judy Schuettens for all of the help and motivation that she has given us in the past year. I would also like to thank Craig Talbot and Taylor Publishing Company. I give my best wishes to all the seniors, may your life be full of love and happiness.

Kristin -

Look, I get my  
very own page.

Probably not for  
long though. Any-  
way, I'm glad I  
got to know you  
in Zimmerman's  
(even though it was there)!

You're a real sweet  
gal. Have a great  
summer!! Hope to  
see you next year.

Please call me  
sometime. 547-9415.

Again that's 547-9415.

Have a nice day.

I guess that's all.

I think I'll go now.

This is it. That's  
all I have to say.

See ya. Bye. Until  
later. I love you.

Be fruitful. Love, joy, peace etc.

Love ya,

Love ya,

Duckie.

Hey baby! It's been  
one laugh after another  
since we met. You are  
one of my closest and  
dearest friends. We have  
helped each other through  
all of our good and  
bad times. And I hope we  
can do the same in the  
years to come. Just think,  
we are already halfway  
through with High School!!!  
It's been great being  
"neighbors". We are gonna  
have to go to Caserville  
together sometime this summer  
PARTY!! I hope that

we can be the best of  
friends in the years ahead.  
It's going to be great when  
we are juniors. WEEE!!

Don't ever change. Stay  
a sweetheart! and I  
wish you all the happiness  
in the world.

CLASS of 2000,
